

Bermudian Heartbeats

Lecture Series

February 2018

In Collaboration with the St. George's Foundation

Film Night

World Watch (Aliens in Bermuda)

ON Wednesday, 7 February, 6 p.m.

AT World Heritage Centre, Penno's Wharf,
St. George's

This mockumentary investigates claims that aliens are landing in Bermuda with the approval of the UK and US governments. The aliens apparently like the island and have become smitten with the local rum. Unfortunately when they consume too much they start abducting locals and performing tests on them. They also have a tendency to get on mopeds and drive around the island like idiots.

Spaces are limited. FREE tickets are available from the Department of Community and Cultural Affairs, the World Heritage Centre, and from **bdatix.bm**.
